EDITOR'S LETTER

If ever there was someone more deserving of another appearance on the front cover of Mayfair it would be none other than this month's cover girl Tommie Jo. And bookending her in the magazine this month are a few more Mayfair veterans in the form of Katie Thornton and Cara Brett. It's not difficult to see what these girls have in common really so we won't point it out, although Katie was getting bit touchy with us for staring and focusing on her assets a bit too much. Cara on the other hand soaked up the attention! Jasmine Webb makes a welcome return and there's a load of other girls too. Enjoy

Dirty minded? Good, then you sound just like our type! Why not drop us an email and tell us what's been ringing your bell this month – or otherwise – you can just send us a little message telling us how much you love the magazine!?

E-MAIL CONTACT@PAULRAYMONDMEDIA.COM

Dear Mayfair,

I'd just like to tell you about an encounter I had recently while on business in London. I was out at this tapas bar with some colleagues when I sensed a pair of eyes gazing at me. They belonged to this gorgeous Spanish girl; 5'3" with huge brown eyes and the body of an angel. She didn't stop when I looked right at her so I went over to talk to her.

Her name was Tania and she was studying English and Philosophy in London for two years. She was horny, you could tell. I ended up plucking up the courage and asking her back to my hotel room – she said yes!

When we got into the room, she threw herself onto the bed and looked at me with those big brown eyes and said,

"You ain't seen nothing yet."

I decided to get us in the mood with a game of strip heads/tails.

Simply, this is a game where you guess heads or tails in turn and the loser takes off a piece of clothing. In the beginning, I was winning and she was down to her knickers in no time, and what an amazing body she had. Then I lost four in a row and was totally naked.

I suggested we continue for forfeits. Luckily, Tania lost the next two flips, which allowed me to chose a forfeit for her and I said, "sit on my face for one minute."

She obliged and I got to lick her sweet pussy – it was heaven. Then I lost and she asked for a one minute massage. Then she lost again and I got her to kneel on all fours while I fingered her amazingly tight minge. Tania told me to lay back on the bed and I did so. Kneeling between my legs, she slowly lowered her mouth onto my hugely erect cock, taking it right down to the balls.

"I swear, her pussy was tighter than any arse I have ever fucked, and I came in a minute of ferocious pumping."

She must have deep-throated me for 20 minutes while staring at me all the time with those huge brown eyes. She then lowered herself onto me and moved up and down rhythmically. Then she asked me to go round behind her and take her doggy style. I swear, her pussy was tighter than any arse I have ever fucked, and I came in a minute of ferocious pumping.

I lay on the bed, tugging my dick, desperately trying to get it hard again. After 10 minutes, I managed it and she gave me the most furious hand job I have ever had. She then curled into me, spoons fashion, and we fell into a deep sleep. The most amazing night of my life!

Robert, Lancashire

Dear Mayfair,

I left my home town 12 years ago and moved to Manchester. Other than to see my family, I had not been back since.

Dear Mayfair,

It was great to see Jasmine Jae in the magazine last month, she has to be one of my favourite Paul Raymond Girls over the years. I appreciate that everyone has their 'type' but one thing that nobody can contest is that she is probably the filthiest girl you've ever had in your magazines. If any of your readers haven't seen any of her porn movies you really must. She'll bang as many men as you throw at her, and take them all at the same time, it's a shame you can show images of her antics in your magazines. I'd love that.

Andy, Colchester.

Hi Andy, couldn't agree with you more, Jasmine does double anal like no one else.

However, a very old friend had finally decided to take the plunge and get married. I'd been invited along on the stag do, which was to be a trawl through all of our old drinking haunts. Part of me didn't really want to do it, I'd not missed my old life once since leaving and didn't really fancy going back to all those small town ways.

But old friends don't get married that often.

The day came, and we all met up in The Coach & Horses in the town centre to start our night of drinking off. It started well; it was good to see friends I'd not heard from in so many years. Some had changed and others were practically the same lads I'd left behind long ago. Anyway, we sat in the pub for about an hour and then, once everyone had turned up and had manged to down at least one drink, we moved on to the next boozer. It was here that I ran into an old flame, Anne. She was the first girl to ever pull open my trousers and get her hands on my cock, and my memories of her were the basis of many a wank on a lonely night. I'm glad to say she hadn't changed all that much. Sure, she wasn't dressed like a teenager from the back in the day, but she hadn't let herself go and she was now a very sexy 29-year-old PE teacher. Nice and fit and full of vigour, with long blonde hair pulled tight into a ponytail. She was wearing a soft tracksuit and was extremely sexy!

Dear Mayfair,

The Daisy Mae spread last month was bang on. I'd previously bought the copies of Club and Men Only that she'd been, but I think this is my favourite. Her outfit and those high heels were a real turn on, but not as much as the idea that she might be a good girl. Like yourselves, she wasn't fooling us either. I'm already looking forward to the next time she pops up, I know that it will get a certain thing of mine popping up.

Bryan, London.

Dear Alan, sexy lingerie is what we're all about so that will keep on coming, along with the hot naked girls that it's attached to! Ree has been a very hard lady to track down, but we were over the moon when she gave us the green light for a photo shoot. She pinky-promises that she'll be back again soon. Although she has gone off radar since!

She spotted me straight away and was very pleased to see me.

I had been the man to take her cherry, and though that time she didn't come, I was also the first man to bring her to orgasm. We sat talking, away from the gang of lads, and we reminisced about the good old days.

"Remember when I first wanked you off?" she asked.

How could I forget! Like I said, she was the first to ever hold my dick, taking it out one night over the park when we were kissing and I was feeling her tits up through her T-shirt. It was a great moment; she wanked me off onto her lap, I still remember the come stains on her jeans and the way she giggled as she wiped my jizz from her hand.

"How would you like to do that again?" she asked. I was dumbstruck. I'd only been talking to her for a few minutes and here she was offering to take me outside and wank me off! We snuck out, I didn't want the lads to know, and ducked into the park we used to kiss and fondle each other in.

We sat down on a bench and were on each other in seconds, sucking each other's faces off like two lovers who'd been parted for months. Or years in this case! She wrestled with my trouser buttons and I helped her, sitting up slightly so that she could easily pull out my cock. She rolled my foreskin over my helmet and cupped my balls, wanking me off almost as good as I do myself and, just before I came, she stopped and said, "Sorry I never did this for you back then, but I was a little inexperienced and a little scared."

Then she dropped to her knees and took my dick into her mouth. She'd always refused to suck me off when I lived in town and I was always frustrated. This time, Anne sucked my cock like she loved it, squeezing my balls and wanking me off as she licked up and down my pole, staring me in the face all the time.

This, together with all the wank fantasies I'd had about Anne, brought my orgasm to the fore and she tugged my cock nice and fast into her mouth. I filled her mouth up with come and she swallowed the lot, making sexy little appreciative noises. Then she tucked my cock back into my trousers and zipped me up.

"I'll have a gin and tonic," she said as we stepped back into the bar, and that was the last time I saw her!

Dominic, Email.

"I filled her mouth up with come and she swallowed the lot, making sexy little appreciative noises. Then she tucked my cock back into my trousers and zipped me up."

Dear Mayfair,

I just had to write and tell you about the awesome day I've had today. You see, today is my birthday, and it all started when I arrived home from work. My flat mate (Adele) is a great friend of mine but nothing sexual has ever happened – until now!

Adele called out when I walked in through the front door that she was in the kitchen, preparing a birthday treat for me. I wandered in, absent-mindedly unbuttoning my jacket, and noticed Adele bending over, looking in the fridge. She was wearing a short skirt and a vest top. I could see through the skirt that she wasn't wearing any knickers. She has a neat figure, with shoulder length brown hair, small, rounded breasts and firm thighs. As she bent further into the fridge, immersed in her quest to make dinner, her skirt rode higher and I saw the lower curve of her left buttock as the fabric of her skirt rose up. I was transfixed!

She told me to put the kettle on, which brought me back to earth, but I was hard by now, and fantasizing about how I could do something about this. Could I just ask, or should I wait till later? No sooner had I turned around from putting on the kettle than Adele rose from the fridge with a cold beer and handed it to me – just what I needed after a hard day at work – but made even better by the sight of her erect nipples made hard by the chill of the fridge.

Adele must have seen me admiring them as she gave me a cheeky smile of recognition and I was sure I saw a wicked glint in her eye. She turned quickly away, to reveal a flash of fleshy thigh as her skirt matched her movement, but this time she bent down to get plates out of the cupboard. My earlier suspicions were confirmed – she was naked underneath that skirt!

"Do you need a hand in there?" I

KATIE

"You can stop staring at my boobs now guys! I've got other assets too!" Sorry Katie, it's just hard to keep our eyes off them! We'll start checking out the rest of your body now! "Thank you, I've got a mighty fine arse too haven't I?" You most certainly do, and we're sure our readers would love to position themselves behind you and make use of those tight looking holes, whilst listening to your boobs slapping against each other. "Firstly, stop going on about my tits and secondly I don't do anal, but I would for the right guy." And what makes a guy the 'right guy'? "I don't know, I guess I'll know when he finally turns up.

uncertainly asked.

"I thought you'd never take the hint!" she smirked back.

She turned around to meet my gaze, and I noticed her nipples had retreated so, as she walked towards me, offering her birthday wishes, I cupped one of her tits in my hand, eased it out of her vest top and placed my mouth around her nipple. As I did this, Adele groped my cock and balls and unzipped my flies.

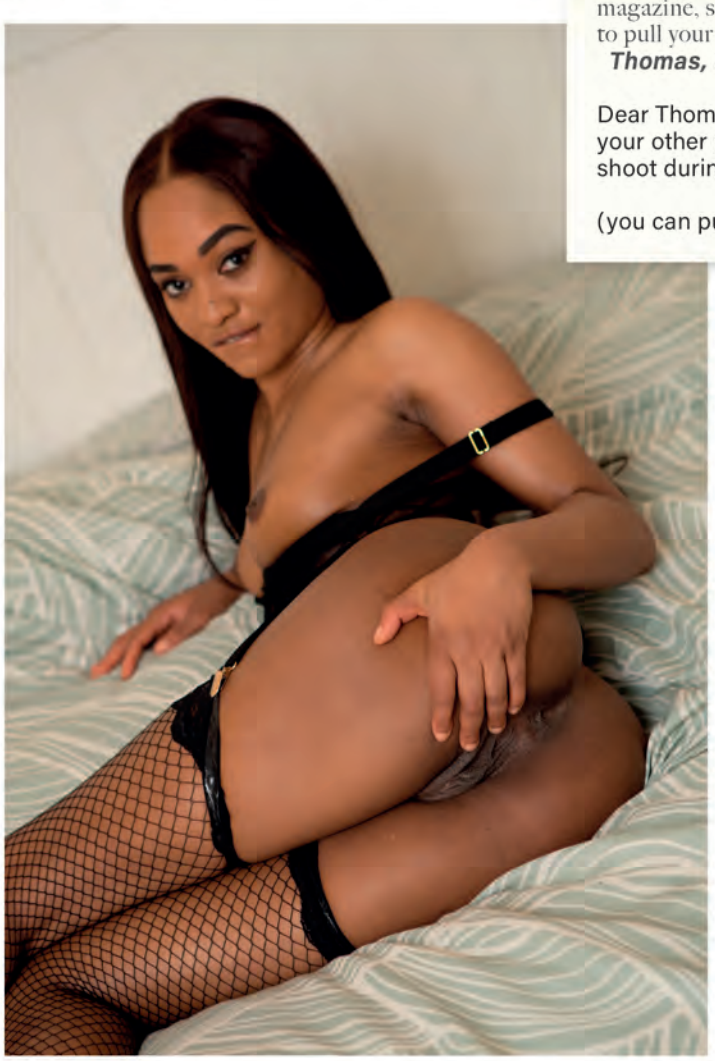
I couldn't believe my birthday luck!

As I continued to play with Adele's beautiful breast, my other hand slipped down her back and up, inside her skirt, to her arse and I squeezed her buttock firmly.

She opened her legs wider and I slid my four fingers into her crack, while my thumb kept a firm grip on her arse. All this time, Adele was wanking me with slow determination.

I casually moved my hand around to her trimmed snatch.

She was hot and wet; desperate for a screwing, and as I started stroking her clit, she demanded a good seeing to and pulled me towards the kitchen table. Lying face down over it, she hitched up her skirt, baring her fine arse, and pulled me by my cock, into her warm and moist pussy. I slid in with ease and savoured the sight of my manhood disappearing between her thighs.



Dear Mayfair,

It's always nice to see a new face in Mayfair, especially when they are as sexy as Kartel, I've not stopped looking at her. In fact I bought her photo set from your website and I'm using one of her more tame photos as my desktop screensaver. What upsets me is that she claims to have been waiting more ages to get in the magazine, so what took you so long? When you've got gems like Kartel you need to pull your finger out and get snapping!

Thomas, Preston.

Dear Thomas, firstly we agree with you that it's nice to see fresh faces. On your other point we have a huge back log of models due to not being able to shoot during COVID, we're working our way through it though!

(you can purchase full uncut photo sets of the girls at paulraymond.xxx)!

As I pushed in and out, her moaning increased in volume and in desperation, willing me to pound her harder. I obliged and was ramming her so hard the table was banging against the wall with each thrust. Grabbing her by her tits, I could feel a welling within my gut, and knew I wasn't far from blowing my load. And as I came, I rammed my cock deep within her soft warmth and felt her tensing up.

A few more strokes saw Adele spasming to a climax of her own on the table beneath me.

What a Birthday treat!

Spike, Email.

Dear Mayfair,

I'm a horny, red-blooded squaddie, four weeks into my basic training, stuck in our barracks in the middle of nowhere without a female in sight. A mate back home sent me issue 56/01 of Mayfair and the sight of April Mae really got me hot!

In my eyes she's without doubt, the best looking woman in England, or even the world! Her gorgeous

pussy poking out of those tight panties would give any male an instant hard-on. And as you can imagine I have spent plenty of time looking after and playing with my own stiffy.

Mayfair magazine has really made these first few weeks of training a lot more enjoyable.

Jack, Catterick

Adele

We can only hope we're singing from the same hymn sheet as Adele because making a good impression has never counted more to us, than when the delightful Miss Taylor dropped in for a shoot. What's been happening in Adele's world? "Lots, so much so that I'm having problems keeping track. But I have been on webcam frequently, as I'm sure some of your readers know." We're sure some of you chaps out there do indeed know just what naughty things Adele's been up to.

CARA

What a shame that you're sat in a chair for one! "Oh, I'm sorry, did you want to join me?" Does a bear shit in the woods? "Oh, I'm sorry, but it wasn't me that booked the photo studio, was it? Your bad luck I guess, who knows what might have happened if you'd gone and got a double sofa, or even a king-sized bed?" Don't tease us, that's really not fair, but we'll make do with watching you enjoy yourself in the chair and on the floor, and then take those thoughts back home with us. Wait a second, there's plenty of room on the floor for two! "There's plenty of room for lots of people on the floor, but all joking aside, it's never going to happen!"

After encountering Scarlett Red in the woods hugging trees and stripping off to just her cowboy boots we're definitely going to invest in a dog and taking regular walks in the forest! "You might be wasting your money, it's not like this is something I do on a regular basis. I'd much rather strip off around my swimming pool in my spare time and then have some sexy time in the jacuzzi with my man." What's your address so that we come along and watch that too? "Not a chance!"

DENISE

Classic MAYFAIR

It seems like Denise has got a few things to get off her mind! "I never wear panties when I'm in my suit because I love watching guys trying to look up my skirt." What guys don't like it? "You can call me a tease if you will, but I just love to make men wank over the sight of my pussy." Any more confessions? "I lOVE sex, it's the waiting that makes that first thrust feel so fucking great. I have to be nice a wet first though. I love my pussy to be eaten before it's fucked. I hope you like my cunt. Try and imagine how it might taste while you're wanking." Don't worry about that Denise, it's a sure-fire bet!

JASMINE

It's been so long, almost three years since Jasmine Webb has been in Mayfair so we're so excited to see her back! "Has it really been that long, time really does fly? Well, that's all my fault, I've just been so busy." Doing what, may we ask? "Wouldn't you like to know?" Yes we would! "As you can only imagine I've been preoccupied with removing my clothing and doing things that mother nature intended us to do!"

Quest.....

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we – and here they are!

E-MAIL CONTACT@PAULRAYMONDMEDIA.COM

I have just recently celebrated my 19th birthday and although I am no virgin it's not often that I meet a bloke and fuck him on the first night. But Mike was different, the instant I met him I just fancied him something rotten.

We met at a bar where my friends and I had gone for a couple of drinks after my birthday meal. Before long we were joined by a bunch of blokes, and when Mike started chatting me up I just knew I had to shag him. He didn't resist at all, and was well up for coming home with me.

Luckily my flatmate had gone off with another guy so we had the place to ourselves. Only a matter of seconds after we went through my door, Mike had me up against the wall, with my skirt around my feet as he wrestled to get his jeans and underpants off.

His cock was a good size, thick like a pole with a lovely big red head oozing pre-come from the slit. I grabbed it and began to wank him hard, and he understood fairly quickly that I wanted it rough. Pulling me down to the carpet he kissed me, his tongue pushing into my mouth as he grabbed my panties and ripped them all the way down my legs and off. Pushing his way between my thighs he forced his thick meat inside me and began pounding my soaking pussy for all he was worth.

Our moans filled my small flat, and I was so horny that it didn't take long before I cried out as my pussy contracted and my body shuddered and the first orgasm ripped through me.

Mike hadn't come yet, and he still had a huge boner when he pulled out of me, so I dropped to my knees and started sucking him. It's not every girl's thing, but I love giving head, and Mike had a really juicy cock. I started by licking the helmet while swirling my tongue around it. He grasped my hair and held me against him as I slowly took him deeper and deeper into my mouth until I was deep-throating him, taking him in all the way inside, right up to his balls.

At that point he lost control, and, grabbing a double fistful of my hair he started fucking my mouth. I let him go as fast as he wanted, flicking my tongue around the head and shaft. Finally, with a deep moan, he came, spurting his come against my tonsils and down my throat.

We staggered to the couch and he held me in his arms. For a little while we just laid there, enjoying the afterglow, but we couldn't keep our hands off of each other for long.

> "I got a great view of her pussy and arsehole, and i wanked even harder to see her swollen pussy lips tightening as she licked out her lover."

Mike explored my body, gently rubbing his thumbs over my sensitive nipples as I played with his softened cock.

We must have dozed for a while because I woke to feel him pulling me on top of him.

To my surprise I felt his cock beginning to stir, and feeling as horny as ever I rubbed myself against him. It took a while, but with just a little effort he was hard and ready to go once more.

I thought of something then that I'd always wanted to do, but had never had the nerve to ask my boyfriends for. But Mike was different so I took a chance and asked him to fuck my arse.

He raised his eyebrows, smiling, and asked if I'd ever had anal sex before.

When I shook my head he told me that we could try, but that if it turned out I wasn't enjoying it he would pull out immediately and continue fucking my pussy. What a total gent!

We moved to the bedroom and I fetched some lube. "Down on your hands and knees," he said, gently positioning me to his satisfaction. Then he drizzled lube over my arse and slowly inserted a finger. At first it felt strange, even a little uncomfortable, but as he began to move his fingertip in and out of me I relaxed and began to relish the

sensation.

I started rubbing my clit, and soon my pussy was incredibly wet and aroused. Mike pushed a second finger inside my bumhole, and began moving them faster. I was getting close to orgasm when he pulled his fingers out and asked if I was ready. I nodded frantically as he positioned his cock against my anus.

When he began to work his cock inside my rear entrance it felt incredibly tight, but he went slowly, and finally his shaft was buried in my arse to the hilt. He paused a moment, letting me adjust, before slowly starting to move inside me. Not thrust, exactly, just move in a way that sent tingles of pleasure down my spine.

I was rubbing my pussy furiously, and soon I was loose enough for him to pump his cock inside me, slowly at first, but then faster and faster. As I grew more accustomed to the strange sensation of having my arsehole fucked I urged him to go harder and quicker. He began to pound my anus as hard as he'd pounded my pussy, and my moans grew louder and I bucked like a bronco as I felt another, really massive, orgasm approaching.

When it hit me, my entire body seemed to be wracked by the spasms, and I felt my fingernails dig into my bedspread.

My sphincter was spasming madly round his cock, and that triggered his orgasm too and he came off as hard as I did.

Feeling Mike blow his wad deep inside my arsehole set off another wave of orgasm until we both toppled, twitching and shivering, onto our sides on the bed.

When we showered together afterwards I could hardly stand upright, because my legs were still like jelly!

Jenny MF

"When he began to work his cock inside my rear entrance it felt incredibly tight, but he went slowly, and finally his shaft was buried in my arse to the hilt."

My I've had a thing for Sylvia, the office hottie, ever since she first joined the company.

I'm a fairly fit looking guy and I'm not used to being brushed off. It hurt my ego a little being turned down flat by the office junior, and to be honest at first I couldn't understand why.

As time went on, however, all the geezers in the office began to take bets on who would score with her first. The truth is that the snotty little bitch had us all baffled.

She was invited on all sorts of outings, to the theatre, to the fanciest restaurants, but without exception she turned every one of them all down.

As usual the office buzzed with speculation, with some of the guys voting that Sylvia had a millionaire boyfriend. I wasn't buying this one though, if she had she would've been whisked out of this depressing warren of work stations and cubicles long ago.

The other theory was that she was a lesbian, and of the two this is the one I favoured more. Not only was it a much more sexually interesting scenario, but it also saved my slightly dented pride. Having decided that this was the most probable cause for her rebuffs I set about observing her body language when she was around her female co-workers.

It didn't take me long to notice the way Sylvia flicked her blonde curls every time she saw Becky from Accounts. I watched the two of them carefully, noting how they looked into one another's eyes while chatting, and the sneaky tell-tale touches they gave one another when they thought no one was watching.

My immediate reaction was to point out what I had seen to my mates, but I decided to get some proof and bide my time to see if the ladies got up to anything.

Lunchtime came one day and I watched the two girls walk out together, their heads tilted towards one another as though sharing intimate secrets. I heard flirtatious laughter as they headed for the lift. Taking my suit jacket from the back of my chair I followed discreetly and was surprised when they walked right past the lift towards the fire escape.

It was a warm day and I hoped they were headed to the roof of the building for some slap and tickle. To be honest the thought was very

appealing, and I felt a twinge in my cock as I watched them opening the fire escape doors. Sneakily, Becky lodged a stone in the doorway to stop the door from closing properly and locking, then the two of them disappeared up the stairs.

Giving them time to climb up the stairs, I followed the girls up, observing them from just inside the door. They had no idea they were being spied on, and their arms wrapped around one another, and their two willowy bodies pressed tightly together as they kissed.

I could feel my cock hardening as their tongues darted in and out of one another's mouths. Sylvia sighed as she flicked her long blonde hair aside so Becky could kiss the tops of her breasts while undoing her blouse. These dirty little lesbos were really into one another.

Becky has earned the reputation as office slut, and after watching her sucking on Sylvia's tits I can confirm not only that she's bisexual, but also that she's insatiable. In seconds she had Sylvia's blouse open and was tweaking and pulling at her nipples with her long red painted nails. Sylvia's eyes were closed but her hand had crept down the waistband of her skirt and she was obviously fingering her pussy.

I strained to get a better view and was rewarded with the sight of Becky tugging up Sylvia's skirt, as her mouth returned to sucking and lapping at her tits. In one swift movement she yanked down Sylvia's tights and exposed her pussy. It was cleanshaven, and even from where I was hiding I could glimpse her pink labia peeping out.

They had started off gently enough, but now as their passion and excitement increased they became a little rougher in their antics. With her skirt around her waist Sylvia stepped back, and, catching the bottom of Becky's top, pulled it off over Becky's head. Becky wasn't wearing a bra, the dirty bitch, and her pert little tits bounced free with her pointed pink nipples standing erect in the breeze. Obviously impatient for action, Becky struggled out of her panties and tights and moved to an old bench that must've been left up there by the janitor.

Lying on her back on top of it with her legs spread on either side, she exposed her pussy to Sylvia while diddling her clit and playing with one nipple.

Without thinking about consequences, I pulled my cock out and started wanking.

Honestly, I don't know what had gotten into me, but this was just too much.

Sylvia folded her jacket and knelt on it, cocking her bare arse in the air as she did so. In that position I got a great view of her pussy and arsehole, and I wanked even harder to see her swollen pussy lips tightening as she licked out her lover.

Her blonde head bobbed up and down as she licked and tongued Becky's pink slit. I could hear the wet sucking noises clearly from where I stood, and I tugged even harder when I saw Sylvia's hand snake back between her own legs. As Sylvia worked on Becky's pussy, she rubbed her own clit in time to her oral movements.

Becky's breath was now coming in short raspy gasps as she neared her climax, and Sylvia began forcing her fingers further inside her own pussy. Tongue-fucking her friend, Sylvia buried her fingers knuckle deep inside her pussy, and as Becky gripped her head and held it onto her, I saw Becky's back arch suddenly. Then Becky came, moaning loudly as Sylvia licked, sucked and gulped down her juices. Finally, with her face still pinned against Becky's pussy, Sylvia came too, and I watched her pussy contract around her thrusting fingers as she orgasmed.

I spunked up almost immediately as I watched Sylvia's pussy twitching. They held that position for a while and after I had wiped my cock I fished out my phone and snapped a shot for evidence. I still have the pic. Who knows, it may come in handy some day.

Martin. MF

We girls look so much sexier in summer don't you think? Well, we're hornier too.

Let me prove it.

One day last month I headed out of town and drove into the country. It was too hot to do much more than park the car and go for a wander through the fields.

When I was sure that no-one was around, I hooked off the straps of my dress and felt the sun beat down on my tits, which felt nice, and I decided to find a patch of grass and start to work on that throbbing clit of mine.

All of a sudden I heard voices. I pulled the top of my dress up and guiltily got off the path and hid behind a tree. A few seconds later, two pretty girls on bikes rode past, laughing and chatting as they went. They looked so sexy with their short skirts blown up by the wind, and I could have sworn that I saw two sets of bare round bum cheeks as they went past. Luckily they pulled over just round the bend and I crept through the bushes so that I could watch what they got up to like a right pervy peeping Tom.

One of them, a blonde girl with a stripy skirt, had hitched up the redhead's skirt and was rubbing her hand between her legs. Fuck! These girls were horny and so was I as I watched them kiss, moaning and groaning as they did so.

I was desperate to join in, but decided to satisfy myself with just watching and a bit of wanking with one hand clamped over my breast and the other trailing down to my panties and my pulsing pussy.

From the snatches of conversation I could hear, the blonde's name was Jessica and the redhead was Debbie.

They sat down and started kissing, tender at first, and gradually becoming more forceful.

After a few minutes they were gripping each other's hair as they chewed on lips and tongues. It was very erotic to watch, and I prised apart my thick pussy lips to touch my clit and finger my already sodden hole.

As they snogged, the redhead pulled up Jessica's skirt and slipped a finger in behind her gusset.

The blonde loved this, and started to thrust her fanny onto her

mate's outstretched finger, burying it deep inside her and then sucking on it with her pussy muscles.

Their technique was great to watch, and I fantasised about how good it would be if that finger was in my gooey slit. Still, my own finger wasn't doing a bad job as I dipped it in and out of my moist hole and greased my stiff little clit with the juice.

Jessica started to work on Debbie's tits, pulling away her top and fastening her lips around a pert nipple. Debbie gasped, gathered up her other boob and stuffed it into the lapping mouth of her friend.

Then she did the same, licking and pawing Jessica's bigger breasts until they glistened with saliva, and her nipples were large and stiff.

The blonde rolled over onto her stomach, lifting up her bum invitingly. The redhead grabbed the gusset of her white panties and pulled it up hard into her crack. I saw it disappear into Jessica's pussy and she rotated her bum, getting the tight fabric to rub against her pussy and her bumhole. Debbie helped by frigging her with her fingers until I could see her panties becoming damp with juice.

Eventually they both ripped their panties off and Debbie mounted Jessica like a man would a woman for a missionary fuck. They planted their two clits together and started to writhe against each other, Debbie controlling the pace with a circular motion, making sure her clit was stimulating Jessica's.

I know how good that feels and I couldn't resist quietly getting to my feet and coming a little closer to them until I could smell their sweat and their rich, juicy pussies bubbling with loads of luscious girly cum.

I watched their glistening bodies rise and fall together. Their tummies and tits pressed snugly together. I started frigging myself to their rhythm, slowly at first, then picking up speed with their thrusts.

When their breathing became slower I would slow down too, keeping myself on the brink of a big sticky climax just like they were.

As my two girls massaged their tits, so did I, pulling on my nipples as the beginnings of an orgasm started to rise through me. I frigged my clit even harder and felt the juice start to ooze out and dribble down my thighs. Suddenly I was moaning as a huge wave of pleasure came over me.

"I frigged my clit even harder and felt the juice start to ooze out and dribble down my thighs. Suddenly i was moaning as a huge wave of pleasure came over me."

Simultaneously, Debbie and Jessica were moaning as climaxes swept through them as well.

They gripped each other and frantically ground their soaking pussies together, drowning out my stifled moans with their own cries.

I slunk back to my hiding place and watched them recover from their exertions. I was trembling with lust for the girls, but I was getting an extra thrill from watching them unnoticed. I could spy on their little intimate pleasures, and feel that I was probably the only other person who knew about their little secret.

I watched with anticipation as slowly they started to revive and lazily tongue each other's raw pink pussies.

Jessica pressed her face deep in between her friend's legs. She clasped Debbie's thighs, drew her in even closer, and brought her off with short swift strokes. Her fanny spasmed around

Jessica's mouth and when she sat up, her mouth was dripping and her face was smeared with pussy juice.

It was only when dusk was falling that they reluctantly decided to leave. They lovingly dressed each other, got on their bicycles and rode off laughing. I stayed still a while, making sure they had gone, then walked back to the car, my juices still oozing from my fanny.

What a lovely afternoon! I hope I see them again, and this time I might have the courage to ask to join in!

YARYNA

Is it sunny outside? No? Oh, bugger! Well, at least, Yaryna is enjoying a good frolic outside by the crystal blue pool. Do you think if we try hard enough she'll invite us in for a swim? "Only if you take those ridiculous armbands off", we've been told. But let's face it drowning would be worth it for a dip with Yaryna and some mouth-to-mouth resuscitation.
